USA ENTRY AND VISA REQUIREMENTS

As of January 12, 2009 all Australian passengers travelling to Micronesia will be required to apply online to the US Department of Homeland Security for travel authorisation. Travellers who do not apply for **and receive** formal travel authorisation ahead of the intended departure date will not be able to board the flight. This is a US Government requirement and is independent of any Airline, therefore Airline staff at check in or elsewhere are unable to assist if requirements have not been met. The application was free of charge, however as of September 10 2010 travellers to Micronesia are charge a fee (US\$14.00) for the Visa Waiver. You can fill out the ESTA form on the American government website <https://esta.cbp.dhs.gov/> which is valid for 2 years.

If you have travelled previously to the USA and have an authorisation number you are required to update your current travel plans online. Passengers must also hold a passport which must be valid for at least 6 months beyond your intended stay. Please refer to the Department of Foreign Affairs and Trade website: www.dfat.gov.au for the latest travel advice.
